

This Sunday, January 16 - Special Worship Service at 10:50

Though we will be having both the 8:30 and 10:50 services on Sunday, the late service will begin with extraordinary music by the Mercer University String Orchestra at 10:30. Worship beings in earnest at 10:50 and will include the blessing of Governor and Mrs. Nathan Deal with many guests attending. All Sunday school teachers will be dismissing their classes by 10:30 so that you - our own First Baptist Faithful - can get into the sanctuary and get your seat since the crowd is anticipated to be much larger than normal.
